

Tunisian Chemical Society

**Third  
Tunisian Chemical Society Conference  
on Coordination Chemistry**

26-29 September 2019, Laico Hotel, Yasmine Hammamet, Tunisia

**Program**

**JCC  
2019**

<i>Thursday 26 September 2019</i>		
14.30	Welcoming participants, distribution of documents and check in	
17.00	Opening Remarks	
17.20 - 18.00	Plenary Lecture 1 <b>Azzedine BOUSSEKSOU</b> <i>LCC-CNRS, Toulouse, France</i> Molecular Spin Crossover Phenomenon at the nanoscale: Recent achievements and prospects	Chairman: Med Taieb Ben Dhia
18.00	Welcome Reception	
19.30	Dinner	

**Being on time is a key factor for the success of the conference**

**Friday 27 September 2019 (morning)**

<b>08.30 - 09.10</b>	<b>Plenary Lecture 2</b> <b><u>Christophe MORELL</u></b> <i>ISA-Lyon, Université de Lyon, France</i> <b>New Tools for the study of coordination compounds: Theoretical developments and applications</b>			<b>Chairman:</b> Alessandro Caselli
<b>Oral Communications - Session 1</b>				
	Room A - <i>Chairman: Med Abderrahmane Sanhoury</i>		Room B - <i>Chairman: Hatem Ben Romdhane</i>
