All activities of the ISSCC 2015 will take place in Zarzis Eden Star Hotel situated at the seaside of the area of Zarzis in the south east, in one of the most beautiful oasis of Tunisia. Welcoming participants, distribution of documents and check in will start on Sunday, December, 20th, 2015 from 3.00 pm to 8.00 pm. Check out will be on Thursday, December 24th after Breakfast.

Registration

Please complete the online registration form at: www.sctunisie.org

Important Dates

Electronic registration and submission of abstracts will be available until: 30th September 2015
Deadline of fees’ payment: 30th October 2015

Zarzis, TUNISIA
ISSCC 2015’s Highlights

Objectives
The field of solid state and materials chemistry has grown significantly during the last two decades with successes in the preparation of new materials with new properties. That is because solid state chemistry has played a significant role in the design and discovery of new compounds and materials that have laid the foundation of new technologies that were materials limited. We, as Chemists researchers, maintain that the discovery of new materials with novel properties is a major area of research, and that is why we strongly encourage active contribution to discussions and participation during oral and poster sessions, which offer an excellent opportunity for presenting and learning about new and exciting research.

So, join us and let’s make the ISSCC 2015 an exciting forum to discuss the latest advances in solid state chemistry and an excellent opportunity for cooperation and networking.

Program
The program of ISSCC 2015 includes:
- plenary lectures (40 minutes)
- invited lectures (30 minutes)
- oral communications (15 minutes) and posters
- an exhibition of scientific equipment

A booklet containing all the conference abstracts and papers will be distributed to participants. Authors are required to provide a summary of an A5 page in MS-Word format according to the following instructions:
- superior margin of 2.5 cm, 2.2 cm margins on each side and a bottom margin of 1.5 cm. A template model is available for download in ISSCC 2015’s website.
- Title in uppercase (centered, Arial 10, bold, spacing 1)
- Authors’ names (centered, Arial 9, spacing 1) with presenting author’s name underlined
- Authors’ affiliation (centered, Arial 8, italic, spacing 1)
- Text (justified, Arial 9, spacing 1).

Posters Presentation
Posters should be 1.20 m high and 0.90 m wide. Abstracts of posters will be numbered and listed in the final program. Different sessions will be held for poster presentations. Authors are requested to be next to their posters during the official poster sessions.

Participation
To register, please complete the form available on the website of the SCT: www.sctunisie.org

Deadline for registration and abstracts submission
September 30, 2015 (Registration page disabled)

Participation fees
