JCO 2017’s Highlights

Objectives
Folding point of organic chemists, the ‘Journées de Chimie Organique’ JCO 2017 are an opportunity for Tunisian chemists to meet their colleagues from neighboring and friends countries. Organized, as far as possible, every two years, the ‘JCO’ aims to:

• Encourage linking researchers and laboratories to maintain a high level of basic research and develop effective skills transfer.
• Stimulate reflections on the development of organic chemistry and the problems related to the environment that may result.
• Provide an opportunity for young researchers to express, present and discuss the results of their research.

JCO 2017 will be an opportunity to strengthen existing ties and to set up new ones with labs and establishments of the northern shore of the Mediterranean. We hope that such event will favor new discoveries and exchange of ideas for further collaborations and development.

Topics
1. New methods of Organic Synthesis
2. Bioorganic Chemistry
3. Pharmaceutical Chemistry
4. Heterocyclic Chemistry
5. Supramolecular Chemistry
6. Organometallic Chemistry
7. Total Synthesis of Natural and Medicinal Products

Program
The program of JCO 2017 includes:
• plenary lectures (30 minutes)
• oral communications (15 minutes) and posters
• an exhibition of scientific equipment

A booklet containing all the conference abstracts and papers will be distributed to participants. Authors are required to provide a summary of an A5 page in MS-Word format according to the following instructions:
• Superior margin of 2.5 cm, 2.2 cm margins on each side and a bottom margin of 1.5 cm. A template model is available for download in JCO2017 website.
• Font typeface for the whole abstract: Times New Roman
• Title in uppercase (10, centered, bold, spacing 1)
• Authors’ names (9, centered, spacing 1) with presenting author’s name underlined
• Authors’ affiliation (8, centered, italic, spacing 1)
• Text (9, justified, spacing 1).

Posters Presentation
Posters should be 200 cm high and 90 cm wide. Abstracts of posters will be numbered and listed in the final program. Different sessions will be held for poster presentations. Authors are requested to be next to their posters during the official poster sessions.

Participation
To register, please complete the form available on the website of the SCT: www.sctunisie.org

Deadline for registration and abstracts submission
June 10, 2017 (Registration page disabled)
